Aug 2020 - Dec 2024 | Singapore / United States

- Managed Intel-linked national AI skilling programs with government ministries and partners across 35+ governments, reaching 200,000+ participants from diverse backgrounds.
- Localized AI curricula for national and institutional contexts and developed AI strategies for educational institutions seeking to scale programs.

- Supported SDG-oriented visioning, corporate innovation and leadership development with Asian MNCs and leading universities.
- Coordinated projects across SL2 offices in the United States, Singapore, Indonesia and India.
- Spearheaded the launch of Sustainable Living Laboratory LLC in the United States and supported its commercial, operational, HR, stakeholder and compliance foundations.

World University Peace Assembly (WUPA) | Hong Kong SAR

Advisor

Dec 2020 - Aug 2023 | Hong Kong SAR

- Advised the student-founded initiative on economic empowerment, positive social change and responses to critical global issues.

AI Teach U / AI Love Venture | Singapore

Country Manager

Jun 2019 - Dec 2020 | Singapore

- Led multinational teams across Singapore, the United States, Japan, China and El Salvador, covering teacher training, product development and market expansion.
- Built the Singapore team and supported business development across Singapore and the ASEAN region, including government and private-sector partnerships.
- Served as instructional design lead for multilingual spoken-language curricula and helped develop an AI-based language-learning application for children aged 4-8.
- Led blended-learning implementation, user adoption, instructor training and regional client relationships across education and corporate settings.
- Built community partnerships and represented the company through demonstrations, client pitches and EdTech events, including EduTech Singapore.

Whizz Kidz Pte. Ltd. | Singapore

Director, Business Development

Dec 2016 - Jun 2019 | Singapore

- Supported revenue growth from approximately 200k in late 2013 to more than 700k by early 2019, including an increase of 250k during the final two years as Director.
- Exceeded the 15-school target by onboarding 25 of 45 schools and expanded the activity portfolio from four core programs to approximately 25 offerings.
- Doubled average daily class delivery against target and expanded holiday programming from four camps at three locations to 15+ camps across eight+ venues.
- Ran day-to-day business operations for three years while the owner was based outside Singapore, while also leading business development, marketing, web, IT, technical support and logistics.
- Developed new revenue channels and innovation-led youth programs; Whizz Kidz received Expat Living Awards for Best Enrichment Classes and Holiday Camps in 2018, 2019 and 2020.

Business Development Manager

Oct 2013 - Dec 2016 | Singapore

- Expanded the business through 12 new international schools, four new holiday camps and a broader after-school portfolio, increasing weekly classes from 35 to 80 within one year.
- Managed operations, HR, logistics, sales, advertising, marketing and IT while continuously improving programs through parent and student feedback.
- Planned and executed events and conferences and supported a broad program portfolio with a small operating team.

STEAM Speaker / Emcee / Facilitator / Instructor

Feb 2010 - Jun 2019 | Singapore

- Led holiday camps, conferences and student activities, provided mentorship and served as an emcee.
- Built six years of teaching experience with international primary students, supported by strong feedback and repeat enrolments.

Evonik Degussa | Singapore

Business Development Associate
